

# NDA Engineering Equipment Limited

● 01234 855030

## **YOU CAN MANAGE WITHOUT NDA BUT WHY MAKE LIFE HARD FOR YOURSELF?**

Established since 1978, NDA is sales / distribution company run by engineers for engineers.

We speak YOUR language & understand YOUR needs.

We supply maintenance departments, equipment manufacturers & distributors.

Our structure allows flexibility to respond to YOUR service requirements: -

● Site visits, technical advice, prompt response, rapid deliveries...

We offer YOU a wide range of quality materials at competitive prices, often specials you can't get elsewhere, allowing YOU to reduce your supplier base.

YOU get personal service. Our customers are individuals not account numbers.

## **WE want YOUR business!**

Regular customers get a whole host of benefits from us :-

# Access to your customer order history over several years.

E.G. I want some of the 20mm mechanical seals I had two years ago.

● # Material supply with order number to follow for emergencies / breakdowns.

# Sameday, nextday or scheduled deliveries by our own transport & reliable carriers.

# Stockholding for call off orders.

# Materials supplied with your unique part number or reference.

E.G. Grundy lid seal extrusion. Makes re-ordering, stock identification & traceability easy.

# Out of hours answerphone & fax.

# Trade counter & Saturday morning services.

● **Experience our woNDAful service.**
