

Reduce your overheads without compromising your performance

Whether you are relocating, need to upgrade, or sell your existing equipment - we have a range of options available.

BRING YOUR EQUIPMENT BACK TO LIFE

If your equipment is a bit long in the tooth, but you don't want the cost burden of replacing it, talk to us about our refurbishment service.

UPGRADE WITH CONFIDENCE

When the time comes to replace your equipment, why not consider buying a refurbished model? We offer warranties on all our refurbished equipment. Spread the cost - payment instalment plans may be available.

FREE UP SPACE AND GENERATE CASH

We offer competitive rates on buying your old equipment - Autoclaves, Stirrers, Media Preparators, Air Samplers, Centrifuges, Pourer Stackers and more.

OUT WITH THE OLD - IN WITH THE NEW

If you purchase new equipment through us, we can offer part exchange on your old equipment.
