## Mobile Phone Covers

Product description: Mobile phone covers in plastic available in black or white with some colour options available on some models. Inserts made from white coated aluminium. Other covers not shown like HTC One, Blackberry Bold, Kindle Fire and Google Nexus 7 cases also available. Please ask for details!

These are a great way to personalise your own phone. The printed inserts can be customised to your own unique design (subject to any copyright issues).

Why not order more inserts and change the way your phone looks.

### Artwork:

Illustrator EPS vector file or CorelDraw vector file. High resolution jpeg images may be suitable however, some image speckling may be evident in the white space of your design!

### Price banded discounts for larger orders!
