

## Introducing our special **INSTANT GAZEBO 'EVENT TENT PACKAGE'**

*A BRANDED GAZEBO IS A POWERFUL ADVERTISING TOOL!*

*Bringing traders and businesses a really cost effective solution for those needing maximum exposure at their events and exhibitions!*

Not only will you own a top quality, durable and smart looking **Protex-1 or Protex-2 Instant Gazebo Event Tent**, but it will be **'eye-catching and uniquely memorable'** to potential customers who visit, pass by, and those who have left the show.

With printing over all its canopy panels and valances and all four side-walls, with two matching 3m Feather Flags, it will certainly attract attention from afar.

The 'all-over' printing option is produced using the latest **digital dye-sublimation technology**. We can print any specific colour or pattern on the background with photos, illustrations, logos, slogans on top, on all roof panels and canopy valances + sidewalls, matching any corporate image or van livery, so that every gazebo event tent is **completely bespoke and unique!**
