About the Product

Solid wooden framed lockable notice board available in a choice of beech, oak and sapele. The frame is a chunky 35mm wide with 9mm thick, fire retardent felt pinboard BS476, Part 7 Class 1. The door is glazed with 2.5mm thick polycarbonate and has a double lock. The frames are a natural true untreated hardwood. If required the frame can be finished with a bri wax which gives a soft sheen.

About the fabric

Charles Twite fabric is fire resistant to BS476, Part 7 Class 1. There is a huge range of vibrant colours to choose from.

Delivery

Delivery normally 7-10 working days. Please call if your order is urgent
