

Medium-size mobile hot water high pressure washers for cleaning in any sector

The versatile NEPTUNE 5 series combines low running costs, ease of use, low noise and high cleaning efficiency. The most effective tool for daily hot water cleaning in any sector.

The NEPTUNE 5 series features low running and maintenance costs, robustness, durability and high cleaning efficiency. Heating costs are reduced with the award-winning EcoPower boiler system with > 92% heating efficiency. Sound level is reduced thanks to the 1450 rpm motor. On board break tank with type AA airgap.

PRODUCT FACTS

- EcoPower boiler with > 92% efficiency
- Full ceramic piston pump
- Reduced running costs
- 1450 rpm motor with low noise level
- Quick Service concept reduces maintenance costs
- Easy to use control panel, all controls on one place
- ERGO quick change accessory system for additional user comfort Models listed in this factsheet are pressure activated to suit the UK and not FA or FAX models which are flow activated.
