

## Tubing

### Advanced Polyethylene Tubing

- Suitable for a wide variety of uses in point of use water purification systems, industrial water treatment & drink dispense systems.
- Made from a high grade of polyethylene, the Advanced PE tubing ensures the best balance between flexibility & pressure/temperature resistance.
- Resistant to a wide range of aggressive chemical agents.
- Available in nine colours.
- Black tubing is UV stabilized, making it resistant to direct ultraviolet sunlight and ideal for outdoor applications.
- Silicone free.

**Temperature Range:**  
+34°F (1°C) to +203°F (95°C)
