For pre-printed general roll labels. No special (punched or slit) labels or separators required

Supports use of label sizes from 20 x 20mm up to 100 x 55mm

Lightweight portable and easy to use 'anywhere' label applicators.

For use with labels from 20mm to 100mm in width.

Ideal for use off-line where several labelling stations are required.

Automatic sensors ensure speedy and accurate location of labels on flat or curved surfaces.

Can apply round, rectangular or square die-cut labels up to 100mm wide on all types of products

Hand label Applicator Model AP65
