

PCS Push Button System

Call Staff at The Press of a Button

A PCS Push Button Paging System will transform the way you communicate with your staff. Push Button Paging allows you to efficiently contact staff wherever they are located in your building at the press of a button.

PCS Push Button offers instant communication, up to 999 buttons can be linked to individual pagers.

When the call button is pressed the staff member is instantly notified with the display on their pager indicating which button has called for service.

Options for 1,2,3 & 4 button units. Call & Cancel also available.

Standard Alphanumeric or rechargeable slim pager option, slim pagers are provided with a single charging dock. Five & 10 position chargers are also available.

PCS Push Button units have the option of Perspex wall or table top holders or a smart A5 advertising display holder.

Simple operation, press the button to call the staff member and press cancel to remove the message from the pager.
