

Driver Re-Call System

Improve Your Vehicle Flow With Ultra DriverPage

Ultra DriverPage is the next generation of call system to alert drivers waiting for an available loading bay.

Ultra DriverPage Saves Time and Money — With Ultra DriverPage you never have to spend time searching for drivers and vehicles. Ultra DriverPage allows vehicles to be parked in a safe secure zone and for the driver to be alerted with the bay number or loading area when required.

Ultra DriverPage pagers are IP54 rated robust pagers manufactured with impact resistant plastics.

Ultra DriverPage offers the best in staff safety and complete site flexibility, vehicles can be parked up to one mile away and called when required.
