- All grey Ref: FD-01G
- Grey/blue Ref: FD-01GB

Standard worktops

The ranges illustrated in this catalogue each come with a selection of standard worktop options.

The specifications of these standard options are detailed here:

Material	Ref	Surface	Colour	Base	Edge
Laminate	LA	1.3mm laminate	grey	18mm MDF	wood
	LAP	1.3mm laminate	grey	18mm MDF	plastic
Vinyl	V	2mm vinyl	grey	18mm MDF	wood
	VP	2mm vinyl	grey	18mm MDF	plastic
Blockboard	B	varnished	natural	18mm blockboard	wood
MDF	M	varnished	natural	18mm MDF	wood
Steel	S	1.5mm steel	natural	18mm MDF	turned down with welded corners
Stainless steel	SS	1.2mm stainless	natural	18mm MDF	turned down with welded corners

Non-standard worktops

For those for whom the standard specification is not suitable, the following alternative options are available:

Plastic edging

Plastic edge lipping is available in place of wood as an option on standard laminate, lino and vinyl worktops only. If you want plastic edging, you must specify it with your order, otherwise wood edging will be supplied.

Anti-static

We have a specific anti-static cantilever style series (p148), but black anti-static worktops are available for any bench in this catalogue on request. Price on application.

Thick worktops

Some customers prefer thicker worktops than our standard range. These (25mm, 36mm and 50mm) are available on our 456 heavy duty range. Although not normally sought, these thicker worktops are also available, on request, for any range in this catalogue. Prices on application.
