UK Manufactured Quality Products for the Hospitality Industry

About Us & Index

Style Seating's PREMIUM RANGE aims to bring you the most comfortable and practical banqueting/conference furniture available.

With a combined production knowledge of over 40 years and over 700,000 chairs supplied to the leisure industry we believe that we are in an enviable position.

The PREMIUM RANGE has evolved from our knowledge of production techniques, methods and materials and you, the customer's feedback. We have taken into account criticisms and compliments

**Tested to BS 4875: Part 1
Level 5 Severe Contract**

With this wealth of knowledge we believe we can produce outstanding quality products without losing sight of overall cost, we will innovate and use new superior materials and ideas but we will never lose sight of tried and tested craftsmanship and features of old
