# what next?...

**step 1 Award Design...** The first step is to **request a Special EFX Award design**. EFX have a state-of-the-art graphics studio and can design something special for you in Aluminium, Pewter, Stainless steel, Acrylic, Crystal or Recycled Materials. We will create designs around your logo and to meet your budget.

Simply email the information below and free visuals will be with you within 48 hours :

- Name of Event
- Budget
- Quantity
- Date required
- Type of award
- Logo required - (Vector Artwork .EPS or .AI)
- Venue - UK or Abroad
- Personalisation - winner names required 2 weeks before despatch

**step 2 Ordering...** Once the design of award has been agreed you are ready to place your order. Our lead time is typically 3-6 weeks for production dependent upon the type of award you are ordering. If you need it sooner please ask. We are manufacturers and control materials, finishing and engraving on site so will always try to help.

We can produce a pre-production sample (time & budget allowing) but EFX can also create a 3D metallised visual for your approval which saves time and money (example shown right).

**step 3 Engraving...** Two weeks prior to despatch we need your engraving details. EFX have 3 in-house laser engraving machines and can personalise with logos and winner text. You will receive a full set of proofs for sign off. Rest assured- nothing is engraved until we get written approval from you.

**step 4 Delivery...** National and International Carriers collect daily from the EFX factory and a same day courier service to a UK address is available. We have supplied awards for many international Events from Dubai, Dublin, New York, Mumbai to Beijing!

# inspired designs...

To help in your award selection, we have themed our award designs by category so whether you need to focus on the initials of your logo, or have a trophy created around your industry sector we can develop a unique design to suit!

## alpha-numeric...

We aim to create stunning showstopping awards to be the focal point of your event. Fresh designs with a contemporary twist that candidates want to win!

## human form...

EFX can offer 3D forms in bronze aluminium and resin- abstract shapes or faithful replicas using a variety of specialised techniques.

**sport...**

Recognised International Sporting Events choose EFX for their reliability and quality of craftsmanship.

04

**music & celebrity...**

EFX supply awards into the World of Music and Celebrity including TV Quick and the Eurovision Song Contest.

# inspired designs...

## art forms...

05

We specialise in designing awards to suit your theme and target price and can vary the materials, processes and the personalisation to meet your budget precisely.

## nature's inspiration...

## motor...

We can create multilayered awards in a variety of sizes and finishes for example gold silver and bronze to recognise Winners as well as highly-commended candidates and runners-up.

06

## travel...

Add pizzazz and a splash of colour to your trophy by lamination, print, vinyl, polydome, anodising or powder coating.

## financial...

# recycled designs...

Building on its pioneering role in the development of eco-friendly awards, Special EFX now routinely incorporates recycled elements into its designs, relishing the creative opportunities provided by materials produced from discarded plastic bottles, gas and water pipes and even old electronic circuit boards. The sustainable woods we use are oak, ash, black walnut, maple and cherry.

07

# crystal designs...

EFX offer an extensive collection of interesting glass and crystal awards online. These can be deep engraved or surface etched. Bespoke designs can be commissioned incorporating coloured or recycled glass with wood or metal elements.

# acrylic designs...

EFX offer a full range of acrylic awards from simple exterior printed versions, internal encapsulation of film or card to deeply milled pieces.

World Class acrylic designs have been created for the World Architectural Festival awards in Barcelona and the prestigious TCM film award.

# simple solutions...

When fast delivery time and price matters EFX have an off-the-shelf solution of polished aluminium, pewter, acrylic and glass awards to fit the bill! All these awards can be bought as they are and we will laser engrave your logo and winner details.

09

# corporate gifts...

With 30 years experience in the gift business EFX can supply tailor-made gifts for your next Event. We have supplied own label collections to the major High St Retailers and spent 12 years developing in-flight gifts for BA Concorde.

# wall plaques...

Again EFX break with tradition and have the contemporary edge on their take on 21st Century Wall Plaques

# table centres...

10

Reusable or auctionable creative centre pieces can add another profit centre to an event. 1900 Spiral rugby balls were created for the Rugby World Cup including a 4 metre high version! Chunky metal anniversary dates and tall wire floral iconic pieces can be designed around your theme!

# miniatures...

# medals...

Recognition at all levels can be achieved with smart die-stamped medals with or without ribbons

## “ testimonials... ”

### **Nikken Love Life, Live Nikken Conference...**

For the second year running, Nikken presents over 1100 EFX awards to its dedicated sales people at their successful Love Life Live Nikken Conferences

“The awards were fantastic this year again. You have impressed us with your understanding of our brief and the finished result of these fantastically designed awards. Thank you! We have had so many positive emails from the distributors, they were really impressed with their appearance and weight. The designs strongly linked to our conference theme and were the focal part of the event. I can't wait to see the creations for our next Nikken event!”

### **Coca-Cola Football Manager of the Month...**

as seen on ITV1's 'The Championship' show, Sky Sports News and Soccer AM.

“Winners love the quality and weight of the trophies.”

**Autosport Awards...** The British Formula 1 racing drivers Jenson Button & Lewis Hamilton were among a glittering line-up of motor racing greats to receive one of the spectacular Autosport Awards

“The Autosport Awards were a big success. Trophies looked stunning and we thank Special EFX for all their efforts.”

**Mend...** Everyone was quite taken aback by the quality and design of the awards and has said that it is possibly the best thing they have seen. Thank you so much for all your hard work on this project.

**Adnitor...** EFX have been great to work with throughout and the awards looked amazing.

### **TV Quick Awards...**

Star spangled awards went down a storm !

**Adder film...** We would like to compliment EFX on the quality of the awards. We were blown away! Thank you so much for all of your help !
