

### ZOUCHEXPANDAFOAM BG1 is 2011 Bestseller!

ZOUCHexpandafoam BG1 continues to outshine its counterparts and proves ever more popular with the building and construction trade. ### Things you didn't know about Christmas!

-  The common abbreviation for Christmas to Xmas is derived from the Greek alphabet. X is letter Chi, which is the first letter of Christ's name in the Greek alphabet.
-  England has only known seven white Christmases in the entire twentieth century. According to records, snow fell on Christmas day only in 1938 and 1976.
-  Each year 60 million Christmas trees are grown in Europe to cope with demand.
-  Scientists calculated that Santa would have to visit 822 homes a second to deliver all the world's presents on Christmas Eve, travelling at 650 miles a second.
-  MANY parts of the Christmas tree can actually be eaten, with the needles being a good source of Vitamin C! Good news for those who avoid brussel sprouts and Xmas pudis!
