Terms & Conditions Of Sale

VAT: All quoted prices EXCLUDE VAT which will be added at rate ruling at date of invoice.

Payment: Strictly, nett 30 days from invoice date approved open credit account only. Deposit with order required on some equipment. Details on application.

Prices: Every effort will be made to keep prices firm, but we reserve the right to vary them without notice.

Dimensions: All dimensions stated are offered as a guide only and should be treated as 'nominal'.

Credit Surcharge: Sums, which are overdue and have not been paid by the end of the month of the invoice, will be surcharged at the rate of 1.5% [compound] per calendar month or part of calendar month thereafter.

Title: Title to the goods does not pass to the purchaser until the account is settled in full. Risk passes to the purchaser on delivery.

Quality: We use the most suitable materials for the intended purpose of the article. It is not our policy to vary quality but we reserve the right to use alternative material when we consider it suitable or necessary.

Packing: Free, except any wood cases or specially requested materials, which are charged at cost.

Non-Delivery/Damage: If goods are not received within 10 days from date of invoice we must be notified immediately in writing otherwise no responsibility can be accepted. Damage or Part Delivery must be advised within 3 days of receipt.

Returns: No goods can be accepted for credit without written permission from the Company. A 25% handling and re-stocking charge will be applied to all credit notes covering returned goods, plus carriage where applicable. Returns will only be accepted on goods received back in saleable condition. This condition does not apply where there is a justifiable complaint relating to the quality of the goods supplied.

Above are extracts from the Conditions of Sales of the company
Full conditions of sale are available on request.

Welcome to Huck Nets 2010/11 Football Catalogue...

Here you will find the highest quality selection of netting, ground and training equipment to get your season off to a great start.

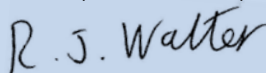

Alongside manufacturing our unique knotless high quality polypropylene football netting and supplying our carefully selected goal posts, this catalogue contains a comprehensive range of ground and training equipment to suit football clubs of all levels.

We are proud to supply our football nets, posts, ground and training equipment to clubs in the Barclays Premiership, Coca Cola Championship, Nationwide Conference as well as many non-league sides and schools across the country. A selection of our goal posts have been certified to BSEN748:2004 and BS8462:2005 and so meet The FA's Guidance Notes Parts 1 and 2 and are eligible for Football Foundation Grant funding under The Goal Post Safety Scheme which provides grants to fund new safe goalposts www.footballfoundation.org.uk

As a company we are always looking for new and exciting additions to our product range, this year we have introduced the new and unique hexagonal check net. These cleverly designed nets are exclusive to Huck Nets; they come in multiple colour options and almost every team colour is available. Being able to show the team colours at each end of the home ground is already adding to the atmosphere of both large and small clubs around the UK and rest of Europe. See acknowledgement by Exeter City FC's Director of football, Steve Peryman MBE, on the back cover of this catalogue and page 5 for details of nets and colour options.

If you would like help with your order or would like to discuss a bespoke requirement please phone me on 01308 425100 or email sales@huckfootball.co.uk. Our portfolio of football products can also be browsed and purchased online at www.huckfootball.co.uk

Knotless Goal Netting

Our goal nets are manufactured in a knotless construction from high tenacity polypropylene which gives the following advantages:

- Hard wearing net meshes have a great resistance to wear and high shock absorption capacity
- Easy to install due to lighter weight
- Aesthetically pleasing
- The netting is of interlocking design and cannot be displaced so is of a precise mesh size.
- Very little abrasion and extremely chafe-resistant
- Meet the latest UK & European quality standards

You Couldn't Score in a Better Net!

Photo courtesy of Exeter City FC

Nets available for all sizes and styles of goal posts:

Styles: Continental, International, Box, Straight back

Standard Dimensions

International: 7.5m x 2.5m (24ft x 8ft)

Senior : 4.88m x 1.22m (16ft x 4ft)

Youth: 4.88m x 1.22m (12ft x 4ft)

Netting can be manufactured to fit all unusual shapes and sizes too!

Please call 01308 425 100 to discuss

SAFETY IS OUR GOAL

Huck Nets has preferred supplier status with the Football Foundation. We have a range of goalpost products eligible for the Foundation's grant scheme to replace unsafe goal equipment in English grassroots football.

The Football Foundation is the UK's largest sports charity, funded by the Premier League, The FA, Sport England and the Government. The Foundation's mission is to improve facilities, create opportunities and build communities throughout England by providing grants for specific schemes.

One such grant scheme is replacement of the estimated 15,000 sets of unsafe goalposts used in grassroots football. Tragically, there have been nine child fatalities during the past decade due to unsafe or unstable goalposts, with many more serious injuries.

Huck has a specific range of mini and full sized galvanised steel and aluminium goalpost products that is approved by the Foundation. These products are eligible for the organisation's replacement grant scheme.

The Football Foundation Goal Post Safety Scheme provides grants to fund new safe goalposts visit www.footballfoundation.org.uk for more information.

Specialist Indoor & Outdoor Netting

A key service provided by Huck Nets is the manufacture, supply and installation of indoor and outdoor net facilities

Whilst our specialty is football, we also provide facilities and equipment for cricket, basketball, netball, hockey and golf amongst others, enabling multi-sports projects to be completed under one contract. By handling projects of all types and sizes we have gained a high level of practical knowledge and skills.

We recognise that every installation is different, that is why every installation is tailored to meet your specific requirements. Whether it is a new installation or refurbishment of an existing netting system we can provide you with everything you need for the project. Our specialist installation technicians will survey, design, cost and manages the complete project for you. With over 30 years of successful installations behind us you can be assured that your project will be in safe hands.

Testimonial from @Futsal UK, Swindon

A recent example of an indoor installation is @Futsal Swindon where we equipped the playing areas with cross hall, perimeter and protection netting.

"We have equipped our playing areas with cross hall, perimeter and protection netting from Huck Nets. When embarking on an ambitious project such as this it is important to find suppliers who are experts in their fields and who can be trusted to deliver what is needed – when needed. The advice and support given by Huck Nets (UK Ltd) throughout the project has been exceptional and we thank them for their service. The arena looks magnificent, and is already proving great success with players and visitors alike."

Simon Baker, Head of Property,
@Futsal Ltd

Our aim is to provide a value for money service which ensures total customer satisfaction and provides an installation of which both the customer and Huck Nets can be justifiably proud. We work to high specifications, utilising the most modern materials fitted by experts, and provide professional, highly experienced advice throughout and after installation.

HUCK Football

Testimonial from Steve Perryman

We are all very excited about Huck Nets, a successful local company, becoming a new sponsorship partner. Although we were aware that Huck Nets supplied netting to football clubs of all levels, it was not until recently that we realised their total offerings. Not only do they manufacture football netting, they also supply goal posts for match and practice for both senior and youth teams, along with a complete range of practice and ground equipment.

As a club that is owned by its community and its fans [the only community owned club in the football league!], we were delighted to be able to end our first season in the Coca Cola Division 1 with the new unique check nets from Huck in our own red and white club colours. They have already seen some goal face action and have so far been lucky for us. Beating Huddersfield 2-1 at home on the last day of the Season to enable us to secure another year in the Division is one such memorable occasion.

It is an exciting time for all footballers and fans. We have the World Cup to look forward too, where hopefully we will see England do well. Whatever happens I am sure it will encourage more youngsters to play the game, something that is very important to us here at City. We are proud of our youth academy, which is going from strength to strength. Next season we shall be continuing in Division 1 and hope to be successful by putting plenty of goals away in our Huck nets!!!

Exeter City FC looks forward to having a long and mutually beneficial relationship with Huck Nets.

Steve Perryman MBE Director of Football, Exeter City FC

Steve Perryman MBE (born Ealing, London, December 21, 1951) is a retired English football player. A midfielder and defender, he scored 39 goals in a club record 854 first team appearances for Tottenham Hotspur, between 1969 and 1986. He made his league debut for Spurs at the age of 17 and became captain at the age of 20. Steve holds the Spurs record for most appearances in the league, F.A. Cup, League Cup and Europe.

In a long, successful career Steve also won more medals than any other player at Spurs with two League Cups, two UEFA Cups and two F.A. Cups alongside the honour of the Football Writers' Player of the Year in 1982.

In 1986 Steve was awarded the MBE for services to football. After leaving White Hart Lane he moved to Oxford United in 1986, then Brentford as player-manager in the same year, before retiring in 1990. He went on to manage Watford F.C. from 1990-93, before managing I.K. Start in Norway (1994-1995), Shimizu S-Pulse, (1996-2000) and Kashiwa Reysol in Japan (2001-2002). Since 2003 Steve has been Director of Football at Exeter City F.C.
