Conferences and events

“ Please pass on my sincere thanks to your team. They were highly professional, friendly and took all of the worry out of the presentational aspects of the event ”

The AA

“ Thank you for the great service we received from your team over the last couple of days ”

London Fire Brigade

From a small meeting to a large televised awards ceremony, CVS International has the people, latest technology and experience to make your event outstanding. We own an extensive range of equipment and are constantly investing in new technology to ensure the best event for you. Whatever your budget, we can provide a solution to suit your requirements using competitive and transparent pricing.

Our team of experienced project managers will assist from the initial enquiry, offer technical support including site inspections anywhere in the world and can produce room layouts, technical plans and 3D set visualisations. This invaluable support will continue through the event itself.

Our dedicated events team becomes passionate and committed to the events they work on and will always

ensure that the highest standards are met. We have the ability to react and adapt to change, resulting in a successful event that runs like clockwork.

With a proven track record spanning over 20 years, a majority of our new business comes from recommendations. References from satisfied customers are always available.

Equipment hire

Our hire department provides the latest audio visual, video, staging, sound and lighting equipment for events including conferences, presentations, product launches, exhibitions and road shows. We offer this service Nationwide, at a competitive price with no compromise on quality or service.

With over 20 years of experience, we understand that you require the latest technology, delivered on time and within budget. Our friendly and knowledgeable hire staff will offer help and advice from the initial enquiry through to the delivery and installation of equipment. From a single item through to a full technical set-up, we will ensure that the highest standards are met every time.

We are constantly investing in new equipment including plasma screens, projectors, laptops, sound systems, video cameras, lighting, staging and sets. Whatever you need and wherever you need it, CVS International can deliver.

“Thank you very much for all your help for last night. Your crew were great and the room looked and sounded fantastic”
Lloyds TSB

“Thank you all so much for all your hard work in making our event such a success”
Virgin

Sales and installation

SALES

We sell a vast range of audio-visual, video, data and presentation equipment including projectors, plasma displays, video conferencing, rail systems, media walls, integrated sound systems, projection screens plus much more. Our sales team offers expert advice to ensure that your requirements are met on time and within budget.

INSTALLATION

We can bring your content alive by using animated backgrounds and graphics, giving your presentation a completely unique feel.

“Thank you for the excellent work that CVS International did on the Cleanaway interactive DVD. The whole company has now been issued and the feedback is great. No request was too much for you and your team.... the final product speaks for itself”

Cleanaway

“We have been very impressed by the standard of the service you and your staff offer”

Marks & Spencer

“I wanted to write to say how impressed I have been with the level of client service I have received”

Barclays Bank

Editing and production

“Thank you for all your help with the DVD, it went down brilliantly and a copy has been given to our MD for him to use within Lloyds TSB, so it will get a lot of coverage. I will of course pass your details on to anyone who may have work for you”

Lloyds TSB

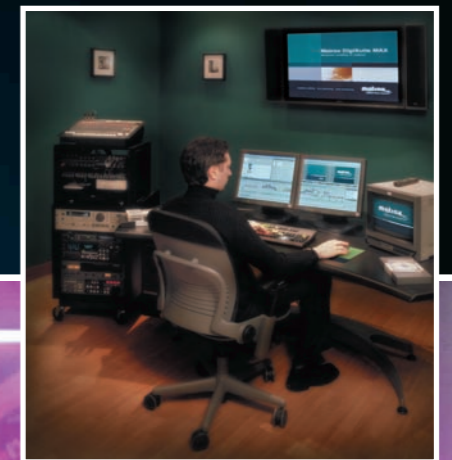

FILMING & PRODUCTION

We can take charge of your video production from scripting through to the shoot. Our team have over 20 years of experience in all aspects of production, including broadcast, corporate, promotional, training programmes and live events with recent clients such as the NHS, Lloyds TSB, BAFTA, and The British Army.

EDITING

Our facilities include several state of the art High Definition (HD) editing suites for hire, which are well

equipped and set in comfortable air conditioned surroundings, making even the longest edit more enjoyable. We can edit from any video format, incorporating graphics and 3D effects in real time at very competitive hourly rates. Our team of in-house editors have a broad range of skills which compliment any project they work on.

“ Thank you for the service your company provided for our event at the House of Commons. Your team were on site and set up in very good time prior to the event, they were most polite and accommodating, please pass on my thanks and appreciation. Once again thank you for providing us with quality equipment and a reliable and efficient service ”

Aviva

“ Thank you and your team for all the help yesterday, our Chief Exec and Chair were very pleased with the whole thing! So watch out for my email next year because as it all looked so professional I know that they will never be satisfied with anything less ”

NHS Foundation Trust

“ Thank you very much indeed for the excellent service you gave for our Conference last week. Everyone was very impressed with the set-up and with all pre-event and on-site preparations. We were extremely well looked after and it was good to feel that we were in very professional hands! ”

College of Law

“ What a fantastic job your crew did for us last week! It was a delight to work with your team, they were wonderful, extremely professional, calm and in control of the whole event that went off without a hitch. The stage set looked excellent again. Thank you also for the prompt supply of the DVDs and copies of the evening's events. We are very grateful for all your teams' hard work and look forward to working with you again next year ”
