

Durapac Bag Press

Technical Specifications

Bag press Dimensions

Height	1.9mm
Width	1.2mm
Depth	0.620m
Weight	325kgs
Power Supply	220-230v Single phase
Motor	1.5Kw
Pressing Force	Up to 3 Ton
Noise Level	70 Decibels

Features

- High compaction force ratio 10:1
- Clear controls for ease of operation
- Suitable for Wet or Dry Waste Material
- IP 55
- Top Loading
- Split chamber for ease of bag removal
- Wheel mounted for ease of movement
