

TruClose - Self Closing Hinge Set for Timber Gates (light to medium duty)

A self-closing hinge for light to medium weight gates around pools, homes, gardens and machinery.

This model has two quick-fit alignment legs for easy fitting and added strength. Its polymer body and stainless steel torsion spring, ensure this hinge remains rust free for life. No unsightly stains, no binding and no gate sag.

A quick and easy adjustment feature allows for effortless adjustment and control of gate closing.

Hinges are available in pairs.
