

K **KALESTEAD**

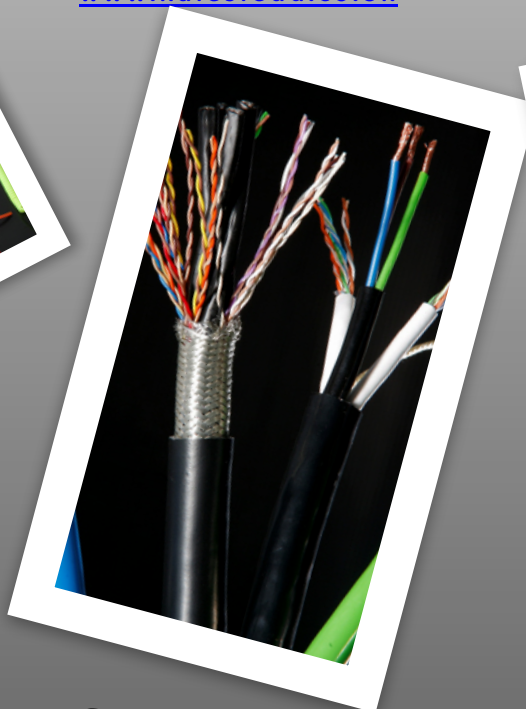

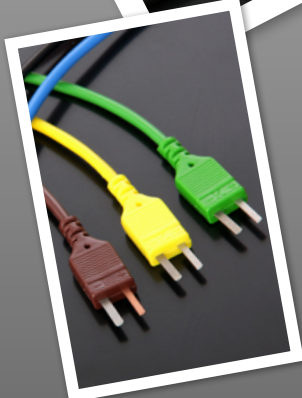

Specialist Cable and Coiled Lead Manufacturers

Ever needed a cable in a particular colour including both data and signal cores, with or without screening? Do you require a special polymer or PVC? Does your cable need to withstand a certain temperature? Do you want a connector fitted? Can you find this cable on the shelf? Probably not, but you could call us!

- We have a friendly free design service
- We can manufacture bespoke straight cable
- We coil leads up to 15mts extended
- We have an in-house termination department
- We have various moulding options

....and more, just ask!!

All manufactured from our factory in the UK starting from as little as **£50!!!** Check out our website for more information www.kalestead.co.uk
