# POSEIDON 7

industrial cold water pressure washer

- **C3 Pump Technology**  
The 4-ceramic piston, C3 pump delivers superior durability and industrial-duty performance for heavy duty cleaning.
- **Inlet temp 85°C**  
POSEIDON can be coupled to a pre-heated water source, thus using the machine as a hot water solution – increased cleaning efficiency.
- **Chassis and Frame in steel (or stainless steel)**  
Robust and resistant to shocks. Stainless steel version ideal for food industry use. (FB Only)
- **High Pressure and High Water Volume**  
Efficient and quick cleaning, whatever the application. The high pressure is ideal for tough dirt. The high water flow gives optimal rinsing and flushing effect.
- **Storage Facility**  
Two lance holders - avoids damage and provides ideal storage for two lances.

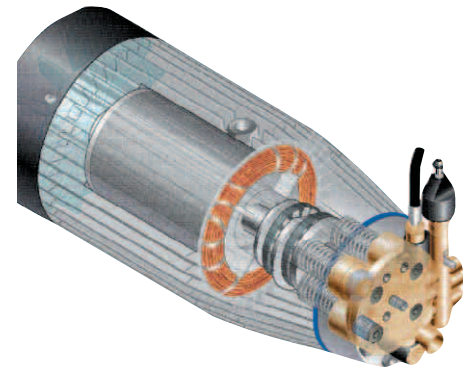

## TECHNICAL SPECIFICATIONS

## PUMP TECHNOLOGY

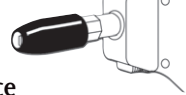

Nilfisk-ALTO's C3 pump represents proven state of the art technology. Forged brass, ceramic pistons and reinforced gaskets ensure reliability and durability. The pump is driven by a smooth, quiet, heavy duty low-revving 1450RPM motor.

## OPTIONAL ACCESSORIES (see product catalogue for further accessories)

### Powerspeed Lance

Rotating pencil jet for fast and highly effective cleaning of stubborn and encrusted dirt.

### Short Lance

Allows easy access into hard to reach areas such as engine bays and containers.

### Foam Lance + Injector

Ensures a thick and consistent application of foam on all surfaces which increases the efficiency of the chemical.

### Powerscrub P400

Rotating nozzle bar for fast, effective cleaning of flat surfaces.
