

The Coombe House

Residential Home

Nestled in a Conservation Area

We are located within an Area of Outstanding Natural Beauty in Streatley, West Berkshire. We provide a homely, secure and relaxed environment within lovely surroundings.

Peace, Privacy and Independence

Our aim is for our Residents to live as independently and fulfilled as possible and be treated with respect and sensitivity to their individual needs and abilities.

Active and Social Involvement

Although we respect the need for privacy we also provide opportunities for a social life and a programme of regular activities as well as transport to local shops and facilities.

The Coombe House, The Coombe, Streatley, Berkshire, RG8 9QL

The Coombe House has been under the same family ownership for more than 20 years. It is located within an Area of Outstanding Natural Beauty in Streatley On Thames, near Reading, Berkshire. The village of Goring is nearby, linked to Streatley by a bridge over the River Thames. There are picturesque views of the Swan Hotel, river, weirs and Goring Lock and this stunning location offers attractive views of the surrounding countryside and the Goring Gap.

We aim to provide care for older residents who can no longer live independently at home or who choose not to live alone, but do not need nursing care. Sometimes getting older and living alone in your own home can be lonely and difficult, but here at The Coombe House, we provide a homely, secure and relaxed environment in lovely surroundings, with the highest standards of care based on the individual needs of residents. We offer holiday and respite care when we have an available room.

Many of our residents are recommended by former residents and families, we feel its the best endorsement any home can have.

Excellent Rated Home

The Care Quality Commission regulate care provided by the NHS, local authorities, private companies and voluntary organisations. Their aim is to make sure better care is provided for everyone – in hospitals, care homes and people's own homes.

We are delighted that the standard of care at The Coombe House has been awarded a maximum three stars 'EXCELLENT' rating.

A West Berkshire Care Quality Co-Ordinator Lay Visitor commented: "This is the gold star for local residential homes... 10/10... In this case I cannot identify any improvements that would benefit clients"

Our Priority is Care, Comfort and Happiness and providing complete Peace of Mind

Some comments from residents and relatives about us...

"I am so very pleased with the way that the staff at The Coombe House look after the residents, I doubt if I could find a better place for my mother, if she has any problems the staff do their utmost to help her. As a visitor, I always feel very welcome"

After our summer party:

'thank you for a very happy day with our relatives, how you must have all worked hard to give us very good food. I feel very lucky to be here so well looked after'

After a musical evening:

...all the hymns we knew, so made a good chorus. Afterwards we had refreshments, little finger eats, and sweet cakes...nice to have a chat with everyone and we look forward to meeting again, in the future we hope... many thanks to all.

After an evening of Music, Poetry & Readings from a resident:

..I appreciate the efforts that the staff make to enable us to enjoy this shared experience, rounded off with drinks and a light supper....

From the son of a late resident:

I would like you to know how much I appreciate the care that my mother received during the two and half years that she was resident at Coombe House. She could not have been better cared for and I am so grateful to you and to all the staff who looked after her so well. It cannot have been any easy task during the last six weeks of her life'.

From a retiring GP:

...you have constantly offered a wonderful standard of care to all your residents...
