UNA541 120 amp
UNA542 140 amp

UNA540
O.E part numbers 102211-8640/1
13117340
93180098

UNA541
102211-8260/8650/8651
13117341
73503235

UNA542
102211-8270
73501591
63321940

These are some of our most commonly sold units and we are often asked "how do we identify them?" Well apart from the obvious O.E numbers, the answer is.....the UNA540, UNA541 and UNA542 only have bolt on terminals where as the Bosch type UNA2359, UNA2360 and UNA2403 have a 2 pin terminal block on the back.
