The Leading Specialists for Natural Cotswold Stone Products

PRODUCT INFORMATION SHEET

We take this opportunity to introduce you to the wide range of natural stone products available from our quarries in the Cotswolds.

Building Stone

This range of stone, suitable for both new build and restoration projects, is produced as a rough dressed building stone and will require some dressing on site. Usually supplied 115 to 125mm on bed, with face heights ranging typically between 75 to 150mm and random lengths.

- **BROCKHILL GREY**
- **TINKERS BARN (low rise)**
- **COTSWOLD CREAM**
- **COTSWOLD GOLD**

They can be supplied individually or mixed to provide a variation in both size and colour. Available as random, coursed, tipped or in bags.

DRYSTONE WALLING

Supplied random, "as dug", with thickness varying between 25 to 115mm. As a rule of thumb, you should get 2 to 2.5 face metres of walling to the tonne. Available in one type:

- **TINKERS BARN**

NATURAL STONE COTSWOLD ROOFING SLATES

From our Tinkers Barn quarry and supplied for diminishing courses between 150mm (6 inch) to 450mm (18 inch) in length, with random widths.

A full breakdown of sizes, delivered on a shrink-wrapped pallet, is available on request.

CRAZY PAVING

Supplied from our Tinkers Barn quarry, with random widths and lengths, it is relatively flat and very durable. Thickness varies, but is generally between 25 to 50mm and is sold by the square metre.

ARCHITECTURAL MASONRY

Our sister company Syreford Quarries & Masonry Ltd (Please contact Matt Dovey on 01451 850677) can supply a wide range of finished masonry, from cills and lintels through to more detailed work such as mullion window surrounds, cornice and columns.

For any additional information, please contact Jack Swart or Garry Pountain at Brockhill Quarry.

BUILDING • WALLING • PAVING • ROOFING SLATES • SAWN MASONRY • MULLIONS • WINDOWS ETC.
