

RIDE-ON VACUUM CLEANER -
MAKING LARGE AREA CLEANING
A SMALL JOB

LITTLE EFFORT - BIG RESULTS

Standard detailing wand for hard to reach areas

The BRV 900 puts you behind the wheel of the first Nilfisk ride-on vacuum cleaner. This machine makes cleaning large areas such as exhibition centres and airports an easy job. Hard to reach areas can be serviced from the vehicle by using the detailing wand.

The BRV900 can even gain access into and through most elevators and doorways. An optional on board 7.5 metre hose gives the possibility to clean areas where the machine is unable to navigate.

- Dual HEPA filters protect indoor air quality
- Dual vacuum motors provide superior suction and dirt pick-up
- Dual brushes thoroughly clean all types of carpet
- "Quiet mode" is at 64 db(A) for quiet daytime cleaning
- Detailing wand offers the ability to clean hard to reach areas without leaving the machine

TECHNICAL SPECIFICATIONS
