

HUTCHEON EXAMINATION SERVICES LIMITED

Endless Polyester – Round Slings

Offering low weight, flexibility and ease of handling, Texspan slings will provide the ideal solution to most of your lifting problems. All slings are colour coded and additionally have ident stripes to indicate WLL, (Working Load Limit). Both duplex and round slings are manufactured to give a 7:1 safety factor, each sling is individually numbered for traceability and supplied with a certificate of conformity. Texspan slings fully comply with the requirements of BS EN 1492 : 2000, the UK & European lifting sling standard. All slings are CE marked.

Texspan round slings are manufactured from 100% polyester. The sling is made-up with a seamless outer polyester cover and a core produced from a continuous hank of high tenacity polyester which is hugely strong. They are softer than duplex slings and kinder to delicate surfaces. Prices exclude VAT at 20%.

Slings of other capacities and lengths are available on request.
