

Crested Name Badges

April 2013

Our **Crested Name Badges** make an immediate impact and with the addition of your emblem, crest or logo to your name and title, create a stunning impression.

There are two types of Crested Name Badges, **Enamelled Metal** and **Photo**. The price is the same for each type. Prices include your crest/logo and any lettering you desire, such as a title, a person's name, an organisation's name, a year, or a combination of any or all of these. Each badge can have different text.

Enamelled metal CNB's are finished in polished gold or silver plate.

Photo CNB's are finished in gold or silver anodised aluminium. As above, they can include your crest/logo and any lettering, names and/or titles you desire **PLUS** photos and images.

There is no minimum order quantity (MOQ) for Crested Name Badges.

Art and Design services are offered at cost with a special fixed price of just £25.00 for schools, clubs and charities.

On placement of an order with us, we produce your artwork and submit it for your approval. Delivery of your badges will be within four weeks of our receipt of signed-off artwork. We always make best endeavours to improve on this timescale but we don't make promises unless we are sure we can keep them.
