

Lapel Badges

April 2013

We offer three types of **Lapel Badges** all of the highest possible quality: **Standard, Premier** and **De-Luxe**.

Our **Standard** range reaches a new level for value and quality. The brass finish, with or without a clear frontal dome set these badges apart from lesser products at comparable prices.

Gold plated **Premier** badges are the modern and bright way to project an image of your organisation. Also available with or without a dome, these badges will help make a positive statement.

The **De-Luxe** lapel badge is the ultimate in quality and design. This classical vitreous enamel badge, also known as **Cloisonne**, is of jewellery quality. This is the badge for lasting appeal and pride of ownership.

Art and Design services are offered at cost with a special price of just £25.00 for schools, clubs and charities.

The initial order quantity is 500 for Standard badges and only 100 for Premier and De-Luxe badges.

Prices include a **Heavy Duty Brooch** pin or **Butterfly** clutch or there is the increasingly popular option of a strong **Magnet** fitting for a small additional charge of £0.98(+VAT) per badge.

On placement of an order with us, we produce your artwork and submit it for your approval. Delivery of your badges will be within four weeks of our receipt of signed-off artwork. We always make best endeavours to improve on this timescale but we don't like to make promises unless we are sure we can keep them.

Example costing:

100 Premier Lapel Badges, up to 25mm @ £2.44 + £25.00 Art & Design + £4.99 P&P = £273.99 + VAT

		QUANTITY				
100+	200+	500+	1000+	2000+	5000+
