SALES CATALOGUE 2014

Product helpline 0800 840 4030

[enduramaxx.co.uk](http://enduramaxx.co.uk)

# WELCOME

Welcome to the new Enduramaxx catalogue where you will find innovative new products and subtle changes to existing products as a result of continuous research and development. As always our focus is value for money and uncompromising quality.

We recommend that you check our website for regular news updates and special offers. You can also keep in touch by subscribing online to our monthly newsletter.

We value any feedback or suggestions for improvement that you may have. You can speak directly to one of our friendly and helpful staff for product advice and support or make contact online.

The Enduramaxx Team

England, Wales & Industrial Scotland - Carriage Paid on all orders over £150

Highlands and Offshore Islands - Please phone for carriage rates

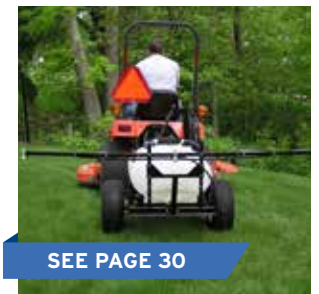

## Carriage Details

All products - Freight Free to your nearest distributor. Remote areas excluded. Enduramaxx are committed to supplying carriage free to your local store in as many areas as possible. In order to achieve this there may be some delays in delivery. Urgent deliveries may incur a freight charge. Please contact us or your local dealer to discuss. Orders less than £150.00 may incur a £7.50 handling charge. England & Wales.

**Disclaimer:** All goods are sold in accordance with our standard terms and conditions for the sale of goods available upon request. All prices exclude VAT. Product specifications and prices are subject to change in line with our commitment to continuous improvement. Capacities and dimensions may vary due to manufacturing process. Colours represented may vary due to printing process.

141315	150L 12V Estate Sprayer
141322	225L 12V Estate Sprayer
143415	150L Estate Sprayer with 3.5HP Briggs and Stratton Engine
143422	225L Estate Sprayer with 3.5HP Briggs and Stratton Engine

**Features**

- 2 sizes 150L & 225L - suitable for ATVs and large mowers
- Mounted on sturdy powder coated steel frame
- Reliable 8.3L/min pump with regulator for spray pressure control
- 4.5m of hose & Powerjet spray gun for spot spraying applications
- Options include 2, 3 or 4m booms
- 2.4m of electrical cables with on/off switch & battery clips
- 18" x 7" - 8", 4 ply pneumatic tyres
- Choose from 2 pump options; 12V 8.3L/min 60PSI pump or 3.5HP 34L/min 40PSI pump

**BOOM KIT OPTIONS**

Code	Description
151050	2m Boom Kit
151060	3m Boom Kit
151065	4m Boom Kit

More boom options on pages 23-27

**Features**

- Pressure regulator with gauge for accurate & controlled spraying
- 7.7L/min, 400kPa (60PSI) Delavan pump mounted under cover
- 6m of 10mm spray hose
- Boom mounting brackets
- Single axle fitted with 22" high flotation all terrain tyres
- Hose wrap for storage & spray lance holder
- Chequer plate mudguards
- Strong steel construction chassis, hot dip galvanised for durability
- 50mm tow hitch
- Choose from a 11.4L/min, 15.2L/min, 19L/min or 26L/min pump

141020

SPRAY RANGER

**200L ATV TRAILER SPRAYER**

Code	Description	Pump
141020	200L ATV Trailer - Single Axle	7.7L/min 12V
141021	200L ATV Trailer - Single Axle	11.4L/min 12V
141120	200L ATV Trailer - Single Axle	12L/min Rapid Commando Motorised

151015	Versatile Boom
1364030	30m Hose Reel c/w 30m Hose and Hand Gun including Mounting Frame
1364060	60m Hose Reel c/w 60m Hose and Hand Gun including Mounting Frame

More boom options on pages 23-27

141120

**Features**

- Range of motorised and 12V pumps available. See page 16 for motorised pump options and pages 40-45 for 12V options
- Hinged drawbar allows flotation over uneven terrain
- Dual axles fitted with 22" high flotation all terrain tyres
- Hot dip galvanised steel frame

141040

**400L ATV TRAILER SPRAYER**

Code	Description	Pump
141040	400L Trailer - Double Axle	7.7L/min 12V
141042	400L Trailer - Double Axle	11.4L/min 12V
141140	400L Trailer - Double Axle	12L/min Rapid Commando Motorised

**ADD ON OPTIONS**

Code	Description
151015	Versatile Boom
151203-30	30m Hose Reel c/w 30m Hose and Hand Gun inc. Mounting Frame
151205-50	50m Hose reel c/w 50m Hose and Hand Gun inc. Mounting Frame

More boom options on pages 23-27

**Features**

- 200 or 400L capacity
- Comes with 2m of 1.5" hose and quarter turn tap
- Fitted with off road tyres

## 16L KNAPSACK SPRAYER

**Features**

- Built-in carry handle for easy transport
- Wide-mouthed tank lid opening for less spillage
- Lance clips to side of tank for convenient storage
- Lever action piston pump with convertible handle for right or left hand use
- Built-in strainers and filters to help prevent clogging
- Ergonomically designed tank comes with quick fitting padded shoulder harness

**16L KNAPSACK SPRAYER**

Code	Description
121215	16L Knapsack Sprayer
121145	Spares Kit

COMES WITH  
**4 SPRAY TIPS**

**COMES WITH 4 SPRAY TIPS**

The Enduramaxx Knapsack Sprayer features four spray tips. Choose between:

Flat Fan Spray

Conical Spray Tip

4-Hole Adjustable

Spray Tip

## 34L PUSH ALONG SPRAYER

## Features

- Reliable 3.8L/min 40PSI pump
- Spray lance with adjustable nozzle for range of spraying options
- Lance clips hold spray lance securely
- Boomless nozzle sprays up to 1m width for spraying large areas of lawn
- Easily adjustable handle suits all users - max. height 1070mm
- Large wheels & tyres - 300mm diameter easily handle steps and uneven terrain
- Well balanced and easy to use
- Tow bar supplied for easy hitching to ride on mowers
- Electric on/off switch for pump
- Drain bung for easy cleaning
- Rechargeable 12V battery (charger included)
- Overall width 605mm

## 34L PUSH ALONG SPRAYER

Code	Description
131004	Pull Along Sprayer 3.8L/min 40PSI Pump

PRODUCT SHOWN  
131015 55L Spot Sprayer

**SPRAY LANCES**

Code	Description
135010	Economy Spray Lance
135015	Economy Telescopic Spray Lance

**Features**

- Lightweight chromed aluminium economy spray lance
- Adjustable spray nozzle
- Filter in handle
- 10mm hose barb connection
- 750mm overall length for standard lance
- 1500m maximum length for telescopic lance

**TOP GUN**

Code	Description
135024	Top Gun

**Features**

- High pressure, long range, multi-purpose spray gun
- Front handgrip allows quick spray pattern selection
- Fitted with trigger lock and 1/2" swivel inlet
- Overall length: 700mm
- Max range: 25m @ 50bar
- Max pressure: 60 Bar (870PSI)
- Max flow rate: 135L/min

**MULTI-PURPOSE SPRAY GUN**

Code	Description
135022	Multi-purpose Spray Gun

**Features**

- Great value multi-purpose spray gun
- One hand operation for easy pattern adjustment and on/off trigger
- Adjustable turbo atomiser
- Supplied with 10mm hose tail
- Max pressure 250PSI
- Overall length 445mm

**SWIVEL CONNECTOR**

Code	Description
1232038	Swivel Connector

**Features**

- No more tangled hoses!
- Max pressure: 50 Bar (725PSI)
- 3/8" female threads

**POWERJET SPRAY GUN**

Code	Description
135020	700mm Powerjet Spray Gun - 700mm long
135018	250mm Powerjet Spray Gun - 250mm long

**135020 Features**

- Standard equipment on our professional sprayers
- Durable, dependable spray gun used for high pressure washing, cleaning and agricultural applications
- Adjustable nozzle
- Overall length: 700mm
- Max pressure: 190 Bar (2950PSI)
- Now fitted with hose swivel

**135018 Features**

- Same as STAL 26 with no extension
- Overall length: 250mm
- Fitted with hose swivel

**PISTOL GRIP SPRAY GUN**

Code	Description
135017	Pistol Grip Spray Gun

## 134012

- 3.8L/min open flow 270kPa (40PSI) demand switch
- Santoprene diaphragm
- Self priming up to 1.2m
- 2 chamber positive displacement diaphragm pump, capable of being run dry
- Viton valves
- 3/8" hose barb inlet/outlet part

FLAT FAN NOZZLES

Colour	Code	Description	Pack Qty
	123036-PK	001 Flat Fan 110° Nozzle	10
	123038-PK	0015 Flat Fan 110° Nozzle	10
	123040-PK	002 Flat Fan 110° Nozzle	10
	134042-PK	0025 Flat Fan 110° Nozzle	10
	123044-PK	003 Flat Fan 110° Nozzle	10
	123046-PK	004 Flat Fan 110° Nozzle	10
	123048-PK	005 Flat Fan 110° Nozzle	10
	123050-PK	006 Flat Fan 110° Nozzle	10
	123052-PK	008 Flat Fan 110° Nozzle	10
	123054-PK	0010 Flat Fan 110° Nozzle	10

Features

- Precision moulded in polyacetal, a highly stable polymeric material with outstanding wear characteristics
- Colour coded (in accordance with ISO10625) for quick identification of flow rate

Applications

- Used for broadcast application of pre and post emergent herbicides, fungicides and insecticides

DEFLECTOR 140° NOZZLES

Colour	Code	Description	Pack Qty
	1230005-PK	0.5 Deflector 140° Nozzle	10
	123001-PK	1.0 Deflector 140° Nozzle	10
	123002-PK	1.5 Deflector 140° Nozzle	10
	123004-PK	2.0 Deflector 140° Nozzle	10
	123006-PK	2.5 Deflector 140° Nozzle	10
	123008-PK	3.0 Deflector 140° Nozzle	10
	123010-PK	4.0 Deflector 140° Nozzle	10

Applications

- Well suited to broadcast spraying with small boom sprayers fitted to all-terrain vehicles. The wide angle allows the nozzles to be spaced at 1m intervals effectively reducing the number of nozzles required
- This wide angle Deflector is also suitable for use with knapsack sprayers for single nozzle applications where the wide swath will improve productivity
- The Deflector 140° is very good for pre-emergent and soil incorporated herbicides and good for post emergent herbicides
- Good for systemic formulations of insecticides and fungicides

Features

- Wide spray angle of 140°
- Gives a narrow rectangular spray pattern
- Reduced potential clogging due to large round orifice
- Produces coarse droplets with reduced potential drift when operated at 1 + 2 bar
- Incorporates screwdriver slot at the front to enable nozzle to be aligned in standard caps
- Moulded in high performance colour coded (non ISO) polyacetal providing good wear and chemical compatibility

QUICK FITTING CAP
