NEW MULTI FUNCTION OPERATION TABLE

Three board operations top makes it possible for the table top size to be extended from 19" wide to 28" wide. The two side panels can be adjusted from horizontal to near vertical position to hold the patient in the desired position. The table can also be tilted and the high adjusts from 21.5" to 42" high.

Tilting side panels can both independently tilt from 0-45 degrees. Tilting main frame can be varied with ease for the perfect working angle

£1900 + VAT
