

Airless paint spraying system

Finish 230

The entry level class for the professional trade

The Finish 230 offers tried and tested diaphragm technology for small Airless painting jobs.

Quality
Offensive!

- **Profitable**
As the smallest in its class the F 230 offers an optimal price – performance ratio.
- **Practical**
Due to its user friendly details the F 230 is simple and convenient to use.
- **Compact**
Thanks to its compact dimensions the F 230 is easily transported and ideal for any workshop or building site application.

The Finish 230 can be used either with a hopper or with a suction system - ideal for the application of small quantities of material and also for working directly from the original container.

Finish 230

The swivelling handle allows **vertical or horizontal operation.**

The hose can be **tidied up** and out of the way thanks to the integral hose holder.

The practical carrying handle provides for **convenient transport** on the building site.

Spray the **best surface finish** with the Airless gun AG 08. When it is combined with the TradeTip 2 FineFinish nozzles you can achieve brilliant surfaces.

The pressure gauge provides **precise information** on the set spraying pressure.

The connection cable (6 m) provides **flexibility** and a wide radius of action.

Finish 230 Accessories

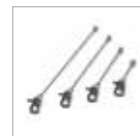

Guns

- 0296 388 Airless gun AG 08 , F-thread, 1/4", incl. TradeTip 2 nozzle holder
- 0296 465 Airless gun AG 08 with 2 finger trigger, F-thread 1/4", incl. TradeTip 2 nozzle holder

2SpeedTip nozzles

With the new 2SpeedTip for lacquers and glazes you can swap between two nozzle sizes with just one twist. The nozzle is available in various nozzle combinations.

Nozzle extensions

- 0556 0xx The use of nozzle extensions saves using ladders and scaffolding, extends the radius of action for objects with large surfaces and thus increases working flexibility. (You can find more information in the current Compass - the reference book for WAGNER equipment technology.)

Hoses

- 9984 573 HP hose DN4-ND270, 1/4", 7.5 m, yellow
- 9984 574 HP hose DN6-ND270, 1/4", 15 m, yellow

F 230 on trolley Spraypack

- Basic unit mounted on trolley
- + HP hose DN6-ND270, NPS 1/4", 15 m, yellow
- + Airless gun AG 08 incl. TradeTip 2 nozzle holder
- + TradeTip 2 nozzle 515
- + Suction system, rigid

Order Ref. No 0311 061

F 230 on frame Spraypack

- Basic unit mounted on frame
- + 5 litre hopper
- + HP hose DN6-ND270, NPS 1/4", 15 m, yellow
- + Airless gun AG 08 incl. TradeTip 2 nozzle holder
- + TradeTip 2 FineFinish nozzle 410

Order Ref. No 0311 062

Technical Data	Finish 230
Power	0.56 kW
Voltage	230 V / 50 Hz
Weight	17 kg
Max. delivery rate	1.25 l/min
Max. nozzle size	0.019"
