

Airless paint spraying unit

Perfect results due to brilliant atomisation

FineFinish 40-15 S

All paint wetted parts in the 40-15 S are made completely in stainless steel. The best quality from the house of WAGNER.

Quality
Offensive!

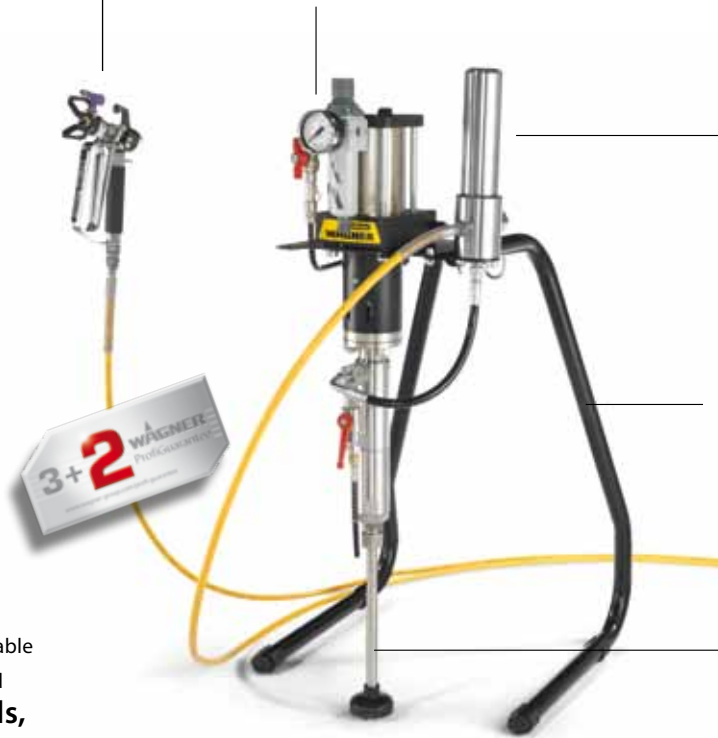

- **Compact**
The small, compact build of the new FineFinish 40-15 S makes it a handy and versatile workshop unit.
- **High performance**
The high pressure ratio of the 40-15 S pneumatic piston pump provides a high performance application of low to medium viscosity materials.
- **Reliable**
The low pulsation material flow ensures great painting safety with a brilliant atomisation and thus perfect surfaces!

Spray the **best surface finish** with the AG 14 Airless gun. In combination with the TradeTip 2 FineFinish nozzle system you will achieve first class surfaces.

The pressure gauge in conjunction with the inlet air regulator ensures that the **perfect spraying pressure** is always available.

The high pressure filter in stainless steel minimises the pulsation and ensures **continuous operating reliability**.

FineFinish 40-15 S AL

The sturdy frame provides a **safe, stable stand** for all requirements in day to day workshop operation.

All paint wetted parts are made of stainless steel. This makes the FineFinish 40-15 S particularly suitable for the application of **water** and **solvent based materials**, undercoats, lacquers, stains and glazes.

With the rigid suction system the material can be applied **directly from the container**.

FineFinish 40-15 S AL Spraypack

Pneumatic pump FineFinish 40-15 S on frame
+ HP hose DN4-ND270, 1/4", 7.5 m
+ AG 14 gun, F-Thread, NPS 1/4"
+ FineFinish 510 nozzle

Order Ref. No. 2309 804

Technical Data	FineFinish 40-15 S
Multiplication ratio	40:1
Volumetric flow per double stroke	15 ccm
Max. gauge working pressure	250 bar
Air inlet pressure	8 bar
Air consumption per double stroke at 6 bar	3 nl
Maximum nozzle size	0.013"

This equipment is suitable for use in potentially explosive areas in accordance with the guideline 94/9/CE (ATEX 95).

FineFinish 40-15 S Accessories

High pressure hoses

9984 573 HP hose DN4-ND270, 1/4", 7.5 m
2302 374 HP hose DN4-ND270, 1/4", 10 m

Guns

0502 166 AG 14 Airless gun, F-thread, NPS 1/4"

2SpeedTip nozzles

With the new 2SpeedTip for lacquers and glazes you can swap between two nozzle sizes with just one twist. The nozzle is available in various nozzle combinations.
