# Technical Benefits

Technical Specifications	Factors	Benefits
Input Power 43 W Output Power 35 W	Low Heat Generation Low Energy Consumption	No cooling fans Pleasant work environment Reduces energy cost
Full power in 15 Sec	Immediate start and restart No pre-warming	Time saving
Bulb's IEC810 Test	Shockproof	High quality

## Technical Specifications

IP 65 Classified

Semko, CE, ETL/cETL approved

High intensity output more than 50 000  $\mu\text{W}/\text{cm}^2$

## Factors

Dust proof  
Temporary water jetting proof

Independent third acquired body

Creates new possibilities of working in daylight

## Benefits

High safety

High quality & safety

Save time

Technical Specifications	Factors	Benefits
Different handles & mounting	User friendly design	Flexible
Different voltages	User friendly design	Flexible
Different light beams	User friendly design	Flexible
