Smart water heater

Hybrid energy managers

iTS

- ▶ Direct plug-in to heating element
- ▶ **iQ smart technology**
- ▶ Cost driven design
- ▶ 2-pole bimetal safety

iBSC

- ▶ Flexible design
- ▶ **iQ smart technology**
- ▶ 2-pole failsafe capillary safety

iBSH

- ▶ Real time energy management
- ▶ **iQ smart technology**
- ▶ High performance design
- ▶ 2-pole failsafe capillary safety

FOREGROUND

- ▶ User interface modules for iQuaFlex® product range

SCALABLE CONFIGURATION
