

GFC 3500 (Morpeth) 900mm Galvanised or Galvanised & Colour

Elegant but functional in its design the GFC 3500 (Morpeth) Ornamental Mild Steel Bollard is constructed using mild steel, galvanised to ensure its longevity. Caps and rings of cast iron are welded on to the steel body to complete the design.

The bollards are available in a galvanised and a galvanised and coated finish. RAL numbers must be specified at time of order.

The bollard comes Concrete in as standard, Bolt down and Removable options are available. Eyelets, hooks and chains can be added to these bollards to complete the decorative effect. Please ask for more information.
