

Plant Fitter – Essex

Required for specialist plant hire & supply company.

Main duties; maintenance, repairs & inspection of mechanical and powered plant. Experience of winches, hoists and cable drum trailers is an advantage but not essential provided you have knowledge of diesel engines, hydraulics & electrics. Prior experience of the plant hire industry will be very helpful. The role will involve workshop, on-site and driving duties.

A generous salary and benefits package are available for the right candidate subject to experience and qualifications.

Apply in writing with C.V. & salary details to; Mr Anton Lavery,
Atlas Winch & Hoist Services (Southern) Ltd, Drakeswell Yard, Duck End, Dunmow, Essex CM6 3RY
