

VELOCITY™
orthopedics

**Don't change
your speed or
efficiency...**

**Just your
blade.**

Velocity...

A new blade for use
with your current
shaver system.

Providing optimal
performance with a value
strategy.

No new capital equipment.
Just connect and resect.

New precision blades,
sharp every time, clean
every time. No proteins,
no damage, no doubts.

Meet cost containment
pressures with a product
strategy designed to meet
your financial objectives.

Sizes and styles for the
most common knee and
shoulder procedures.

No change to inventory
practices. Six blades per
box.

*Color-coding matches
current arthroscopy
systems for procedural
efficiency.*

VisionScope Technologies
