- Individually poly-bagged, providing protection throughout storage and distribution

Gold finish metal eyelet

All banners supplied complete with tie-wraps

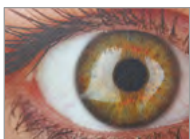

Light block PVC banner

Front-Lit PVC

440gsm
0.31mm

Our most popular banner material, front-lit PVC is suitable for single-sided print with white or single colour on reverse.

Light Block

550gsm
0.55mm

Our highest quality banner material, light block PVC provides excellent colour vibrancy and long-lasting performance. It's ideal for double-sided print.

Mesh PVC

380gsm
0.33mm

Small holes allow air to pass through, making mesh PVC ideal for windy locations, scaffolding and site fencing. It's suitable for single-sided print only (with white on the reverse).
