

# Quick Banner

Discreet, compact and lightweight banner display

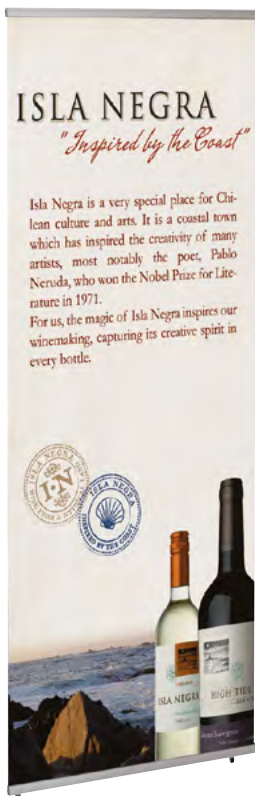

**Recyclable**  
Aluminium clamp rails, pole and stand

- Top and bottom aluminium 'clamp rails' make installing and removing banners quick and easy
- Double-sided units feature adjustable pole for final tensioning
- Available with digitally printed 'standard' 220 micron rigid PVC or 'premium' 165 micron grey-backed polyester film banners
- Lightweight carry bag included with each unit
- Durable carry cases available separately (see page 121)

'Clamp rails' make installing and removing banners quick and easy

1000 x 2000	1000 x 1970	1006 x 2080 x 620	3.8		UQB0C00N12

**Banner Materials** – A wide range of flexible or rigid media up to 300 micron thick can be used with Quick Banners. For print quality, strength and dimensional stability, we recommend using 125-150 micron polyester based films with light block layer/backing or 220 micron opaque PVC – both in a matt white finish for optimum print results.
