sleek design

- With over fifteen years experience in this field, Sleek understand the specific nature of college design.
- Our aim is always to produce an environment that reflects 'High Street' style while remaining uncompromisingly functional.
- We work closely with each college's Hairdressing and Beauty departments to achieve their individual brief, selecting furniture and equipment while fine-tuning the design scheme.
- All of our designs fully comply with N.V.Q. Health & Safety and D.D.A. requirements.
- Sleek can also provide 3D visual imagery of our designs for college promotional purposes.

sleek beauty therapy

Sleek supply a wide variety of Beauty Therapy equipment to suit each college's specific requirements including:

Electric couches, standard couches, therapist stools, trolleys, manicure stations, pedicure equipment, spa furniture, vanity units, cubicles, steamers, magnifying lamps and specialised equipment.

3 Section Electric

cutting areas

sleek hairdressing

Sleek supply a huge range of attractive and durable Hairdressing furniture / equipment including:

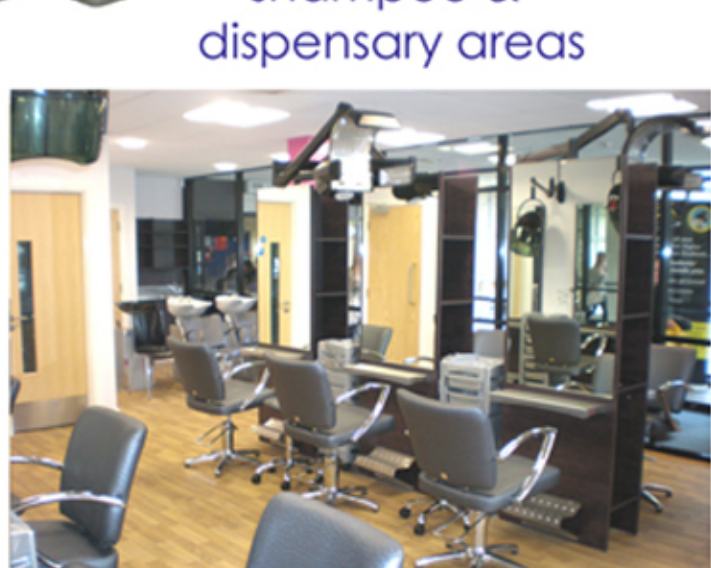

styling stations - mobile and fixed, styling chairs - with a full choice of upholstery fabrics and bases, shampoo units - including height adjustable basin units for wheelchair use, dispensaries, colour consultation units, retail display units, reception desks, waiting seats, dryers & processors and bespoke furniture.
