As all counters are made to order please follow this step by step guide to help you create your ideal design. Alternatively, we are happy to quote on your own bespoke design(s).

Step 1

Choose your ideal counter design and dimensions i.e height, length and depth.

Step 2

Choose your ideal finish i.e. Veneer, paint, melamine, laminate, LG high macs, marmoleum

Step 3

Choose lighting, display and storage options i.e stalk lighting and shelving.

CONTEMPORARY . . .

All contemporary counters are manufactured to order. Dimensions and layout can be specified to suit your own personal requirements upon order. Please contact us directly for more information.
