Health and Safety Policy

Statement

It is the policy of Aura Graphics Limited to provide and maintain a safe and healthy work environment for all of its employees. To ensure the protection of our staff and others who may be affected by what we do every reasonable practicable effort will be made to identify and subsequently control health and safety risks arising from our activities.

Aura Graphics Limited will comply with all applicable health and safety legislation to ensure its legal compliance

Appropriate resources will be planned to ensure all necessary information, instruction, supervision and training is provided to staff in order for them to possess an adequate level of safety awareness to allow them to carry out their work competently and safely.

As part of the process of manufacturing its products and delivery of its services Aura Graphics Limited will plan for the provision of maintained safe plant and equipment. This will ensure the safe handling and use of substances required to meet our goals.

The Company will consult with employees on health and safety matters to ensure that they are adequately informed and to also promote a positive health and safety culture. This is essential as employees also have an important part to play in creating and maintaining a safe and healthy workplace in order to prevent accidents and cases of work related ill health.

To ensure this policy is kept up to date the policy will be reviewed annually.
