

# Quality Policy

## Statement

Aura Graphics Limited specialises in the production of high quality digital and screen printed graphics, manufactured using the latest self-adhesive films and equipment for vehicle fleet, rail and retail display.

Professional application of the graphics and other manufactured products including signs and durable labels is carried out by Aura Graphics sister division Aura Services

Aura Graphics has been a quality accredited company for more than twenty years and has always believed in the principles of Quality Assurance and Customer Service.

The main policy objective of Aura Graphics is to ensure the continued growth of the company through the improvement and development of its current and new markets. To achieve this we aim to ensure that all customer requirements are fulfilled, in terms of product quality, service and timeliness of delivery.

Aura Graphics is committed to the implementation, maintenance and continual improvement of a Quality Management System that meets all the requirements of EN ISO 9001:2008.

The Directors and Management will communicate the importance of this Quality Policy, the quality objectives and the Quality Management System, to all members of staff at every level, in order that we may provide the most professional service possible.
