

Light Bars

Looking for a Light bar or some additional in-cab accessories...

Look no further, we can offer a wide choice on all manufacturers of light bars, perimeter lights, spot lights, beacon bars, air horns and many other additional accessories to suit all manufacturer and model of vehicle.

We currently stock and fit a number of top manufacturers' products such as Kelsa, Bailey, and Viking. If we don't have it in stock we will be able to accommodate your requirements.

"Long Hauls become expensive with having to eat out every night"

This is just some of the points raised by some of Pridens' valued customers. Then why not benefit from having a microwave or fridge fitted....

Priden want to give you the operator maximum choice with minimum hassle; all from under one roof.
