

Priden Pneumatic Vehicles

The company is the leading supplier of blowing equipment to the animal feed sector. Priden Engineering supply all the major fleets and smaller companies alike. But our commitment to the industry doesn't end there, we operate a contract maintenance service to many leading truck manufacturers along with mobile workshops and a nationwide spares delivery service. Priden now employ in excess of seventy personnel at a three-acre site in Wisbech, Cambridgeshire.

Our objective is to service the specific needs of the road transport industry involved in animal feed products. We provide advice at the point of choosing vehicle specification and expertise that comes from decades of experience within the blowing industry.

Bodywork, pneumatic discharge equipment and tipping equipment, supplied and fitted to meet individual customer requirements.
