Numatic Cordless Henry

Maximise cleaning and productivity with no plugging and unplugging. Safe and unobtrusive cleaning without risk of tripping over cables. High-efficiency cleaning with lower annual energy usage. Lower noise levels than corded vacuums.

Equipped with Numatic's new 36V Battery Technology and 350W digital brushless motor, Henry Cordless is engineered to deliver their most powerful cordless cleaning yet. Delivering up to 80 minutes of cordless freedom and a 40% increase in airflow and suction from a compact, convenient and versatile design, they are perfect for day cleaning and safe operation in public areas, maximising productivity with powerful and professional cleaning results.
