

Replacement Parts

Evaporative Cooling Equipment Specialist Maintenance Repair & Renewal

Tower Systems hold an extensive range of replacement parts in stock at our Watford premises for most manufacturers and can also offer a bespoke manufacturing service. Our favourable location near the M1/M25 motorways allows both Sameday and Nextday delivery, with the added option of collection from our parts counter.

Tower Systems Spare Parts

All Tower Systems replacement parts are guaranteed, where applicable, for optimum performance and equal or exceed the recommendations of The Control of Legionella Bacteria in water systems L8:2013/HSG 274 Part 1, The Chartered Institute of Building Service Engineers TM13: 2013 and the City of Westminster Guidelines.

Examples of the range of standard replacement parts stocked include:

- **Fill pack**
- **Drift eliminators**
- **Air inlet louvres**
- **Fans and shafts**

- **Float valves, float balls and stilling chambers**
- **Air inlet rings and bearings**
- **Access door gaskets and lock knob assemblies**
- **Leak repairs and field assembly products**

- **Pulleys, belts and bushings**
- **Pan heaters, level switches, thermostats and damper controls**
- **Spray nozzles and grommets**
- **Pan strainers**

Should the part required not be listed please contact us.
