- A** Semi-circular reception, half desk height with central curved glass shelf and half at counter height. In Light Oak veneer and polished stainless steel.
- B** Split level reception incorporating a section with recessed back panel for enhanced wheelchair access. In Light Oak and Zinc.
- C** Reception in Maple and stainless steel
- D** Custom small (ward) reception in a private hospital. In Natural Walnut with solid radius edge and stainless steel.
- E** Split level reception showing deskover with flyover D-end top. The desk height section terminates with a 'hidden' lift up top and hinged front panel that together provide access to the interior of the counter. The hinged front panel also offers enhanced wheelchair access.

Fulcrum receptions are offered in a choice of nine standard veneers and five edge profiles.
