FREE Delivery

To all UK mainland addresses, except remote/offshore, on orders over £50 (exc. VAT). Standard delivery on all stocked items is 3 working days.

ALL OFFERS: 1. There will be no further discount on promotional items. 2. Offers available while stocks last or until 29th October 2016, whichever is sooner. 3. Normal minimum order levels apply. 4. All unit prices are approximate and have been rounded to the nearest whole pence. 5. All offers apply to dates specified. 6. Offers available to participating customers only. 7. Brakes Catering Equipment may amend or withdraw this offer at any time. 8. Brakes Catering Equipment reserve the right to substitute products subject to availability. 9. All prices exclude VAT, which will be charged on products where applicable. For equipment offers placed with telephone number 0844 412 9004; orders under £50 (exc. VAT) are charged £6.00 + VAT for carriage. Deliveries to Scottish Highlands, Scottish Isles, Northern Ireland, Highlands and Isle of Man will incur an additional charge. Manufacturers' warranties apply to mainland UK only. All light equipment items and some capital equipment items are available for immediate despatch; otherwise delivery will be advised on receipt of your order. Where specified, installation can be quoted on request for capital equipment. 10. Price includes delivery to your door (ground floor, UK mainland only) but not unpacking or positioning. Customers must check all door entry sizes. Brakes will not accept responsibility for any units that will not fit into the customer's premises. Any carriage charges caused by an aborted delivery are the customer's responsibility and will be charged accordingly. 11. Any products incorrectly ordered by the customer will incur a re-stocking charge, products must be returned in original packaging and be unused. 12. Stainless Steel fabrication is non-returnable. 13. MRP correct at 4th August 2016.

Order any time...

Order any place!

It has never been easier to order your catering equipment. From the office or on the go, the Brakes website works across every device.
