security keys and how to order more

please keep a note of the security number on your keys

Your Urban Front door is fitted with a security cylinder and supplied with three security keys. For security reasons, and in case your keys are lost or stolen, these keys cannot be copied and replacement keys can only be ordered through Urban Front and posted to the property address on file.

To order extra keys please call Urban Front customer service on **+44 (0) 1494 778787**. We will need the following information from you:

- Full Name
- Property Address
- Original Order Number
- Security key number as printed on your keys.

If you are not the original owner or if your door was purchased by a third party (e.g. a contractor, builder etc.) we will require two individual pieces of proof of address with your name on.

The address **MUST** be the delivery address as shown on our records.
