MAESTRO 25

Desk Range

UK Manufacturer

Based in Merseyside, we have a 75,000² ft manufacturing facility, creating all our wooden panels along with 35,000² ft seating, screen and upholstery factory

As both a manufacturer and a distributor we pride ourselves on being able to turn round orders quickly from stock and our 125,000² ft warehouse and distribution facility enables us to do that, with all products stocked and ready for immediate delivery either next day, day of choice or delivery and installation direct to your customer.

“all wooden panels manufactured in the UK”

Our commitment to continuous improvement means that we regularly invest in our business to ensure we can offer you the very best products and service. From the technically advanced machinery and handling equipment in our production and distribution facilities to the training and development of all staff, you can trust us to deliver excellent standards across everything we do.

That's why DAMS continues to lead the way in the UK office furniture market.

Choice

Maestro 25 has been designed giving you a wide choice of legs styles, colours, desk sizes and top designs.
